PLAN FEATURES	IN-NETWORK DESIGNATED	OUT-OF-NETWORK
	PROVIDERS	

Benefit limitations - Some service or supplies have limits on them per year. There might be a maximum number of visits or days, or a dollar limit per year. In such cases, the benefit year begins on January 1 (unless otherwise noted). Refer to your plan documents to learn more.

Deductible (per calendar year)

\$1,700 per Individual

\$3,000 per Individual

\$3,400 per Family

\$6,000 per Family

Covered expenses in-network add up towards your in-network deductible. Covered expenses out-of-network add up towards your out-of-network deductible.

You must first meet the deductible before the plan begins paying benefits, unless otherwise noted.

The amount you pay (cost sharing) for some medical services does not count toward your deductible. Prescription drug costs do not count toward the deductible. Refer to your plan documents for details.

Once you meet the family deductible, then all family members have met it for the rest of the year. There is no individual deductible for members of a family.

Member coinsurance

You pay 20%

You pay 40%

Applies to all expenses except as noted. **Out-of-pocket limit** (per calendar

\$3,000 per Individual

\$6,000 per Individual

year)

\$6,000 per Family

\$12,000 per Family

Covered expenses in-network add up towards your in-network out-of-pocket limit. Covered expenses out-of-network add up towards your out-of-network out-of-pocket limit.

Some of your cost sharing may not count toward the out-of-pocket limit.

Your pharmacy expenses count toward your out-of-pocket limit.

In-network expenses include coinsurance/copays and deductibles.

Out-of-network expenses include coinsurance and deductibles. Penalty amounts do not apply.

Your family will have one out-of-pocket limit. You will meet it when the expenses of several family members add up to the family out-of-pocket limit. No one person will have to pay more than the individual out-of-pocket limit amount.

Lifetime maximum

Unlimited except where otherwise indicated.

Precertification requirements -

Some out-of-network services need approval by us in advance (precertification). Without this approval, we reduce benefits by \$400 or 50%. Refer to your plan documents for a full list of services that need this approval.

Referral requirement

Not required

None

Telehealth consultations - You can access covered services for telehealth visits from different kinds of providers in your network. Log on to **Aetna.com** to see a list of telehealth providers. You'll also find more about your options, including cost share amounts.

Network Designations- In order to be covered at the preferred in-network benefit level you must use a designated provider for care. If you receive care from a non-designated provider your care may be paid at the out-of-network benefit level or may not be covered at all.

depending on the manufacturer process

Once enrolled, members will have a \$0 out-of-pocket cost for eligible specialty

medications

Enrollment in the program begins automatically, but additional steps may be needed. Members can choose to opt-out at any time. PrudentRx can be

reached at: 855-476-4118

Your prescription drug plan also includes:

- Diabetic supplies and blood glucose monitors
- Sexual dysfunction drugs, including daily dose, additional 6 tablets a month for erectile dysfunction

Refer to **Aetna.com** for a complete list of eligible prescription drugs.

Precertification requirements

Some covered prescription drugs need approval from us before we will cover the drug.

To get the most up-to-date precertification requirements, see your plan documents or go online to your member website.

GENERAL PROVISIONS

Dependents who are eligible to be on your plan

Spouse, children from birth to age 26. Student status of children does not matter.

**We cover the cost of services based on whether doctors are "in network" or "out of network." We want to help you understand how much we pay for your out-of-network care. At the same time, we want to make it clear how much more you will need to pay for this "out-of-network" care.

You may choose a provider (doctor or hospital) in our network. You may choose to visit an out-of-network provider. If you choose a doctor who is out of network, your health plan may pay some of that doctor's bill. Most of the time, you will pay a lot more money out of your own pocket if you choose to use an out-of-network doctor or hospital.

When you choose out-of-network care, we limit the amount it will pay. This limit is called the "recognized" or "allowed" amount.

PLAN DESIGN & BENEFITS ADMINISTERED BY AETNA LIFE INSURANCE COMPANY - SELF FUNDED

This amount is based on the out-of-network plan you or your employer picks.

- For doctors and other professionals, the amount is based on the "prevailing" charges. We get this data from an external database.
- For hospitals and other facilities, the amount is based on the Facility Fee Schedule.

Your doctor sets his or her own rate to charge you. It may be higher -- sometimes much higher -- than what your plan "recognizes." Your doctor may bill you for the dollar amount that we don't "recognize." You must also pay any copayments, coinsurance and deductibles under your plan. No dollar amount above the "recognized charge" counts toward your deductible or out-of-pocket maximums. To learn more about how we pay out-of-network benefits visit our website

You can avoid these extra costs by getting your care from Aetna's broad network of health care providers. Go to www.aetna.com and click on "Find a Doctor" on the left side of the page. If you are already a member, sign on to your Navigator member site.

This applies when you choose to get care out of network. When you have no choice (for example: emergency room visit after a car accident, or for other emergency services), we will pay the bill as if you got care in network. You pay cost sharing and deductibles for your in-network level of benefits. Contact us if your provider asks you to pay more. You are not responsible for any outstanding balance billed by your providers for emergency services beyond your cost sharing and deductibles.
